Kumudini Devi School Health Program

In pursuance of the vision of the Hospital to provide preventive & promotive health care to the society, the hospital had adopted 4000 students of six government schools and two NGO schools in the vicinity and owned up the responsibility for their health. Free Health screening of all the students is conducted at the school premises and those requiring further investigations or specialist consultation are rendered the same free of cost at our hospital. Further if any of these students require hospitalization, all the services available in the hospital are rendered free of cost. The hospitalized student need to pay for the medicines, other consumables and out sourced services only (Hospital is making every effort to arrange funding from likeminded people for these also) All the students of these schools are being issued with special identity cards (Kumudini Devi School Health Cards) enabling them to avail all services from our hospital free of cost.

Menstrual Hygiene Awareness Programs

Every month free Menstrual Hygiene Awareness program is conducted in school with the help Senior Gynecologist to bring awareness in children.

Free distribution of sanitary pads

Every month free Sanitary Pads are distributed to the children's in the government schools adopted by our hospital.

Free supply of Insulin for Juvenile Diabetes

in collaboration with Kumudini Devi Diabetes Research Center under CDIC (Changing Diabetes in Children).

Hospital is making every effort to arrange funding for the medicines, out sourced investigations, spectacles, dental appliances and sanitary pads for all these students by operating an account called 'School Health Chest' to receive contributions from staff, well wishers and any NGOs for this specific purpose.

Weekly Free Clinic:

Free clinic for all desiring patients from 8am to 2pm on all Sundays. All the patients needing further evaluation by specialists and investigations will be rendered the same at concessional rates.

Kumudini Devi Hospice:

In association with the Pain relief and Palliative Care Society (PRPC), SRH had established a Hospice for terminally ill cancer patients managed by PRPC. It has accommodation for 22 patients and their attendants. The center provides free treatment and food to all the patients and one attendant too.

Quality care @ affordable cost

RAMDEVRAO HOSPITAL

(A Unit of Sivananda Rehabilitation Home)

Opp. Vivekananda Nagar Colony Junction, Kukatpally, Hyderabad - 500 072.

About Us

Ramdevrao Hospital is a unit of Sivananda Rehabilitation Home established in 2002 by Smt Rani Kumudini Devi, the first Lady Mayor of Hyderabad in the memory of her late husband Shri Raja Ramdev Rao.
